Summer 2017

# SUMMER SIGHT WORD CHALLENGE

Dear Families,

This summer it is important to continue to practice Sight Words or “Rainbow Words.” Sight words are words that cannot be spelled out phonetically and need to be memorized. Most of the words that we read in books are sight words, so being familiar with them helps students’ reading accuracy, fluency, and comprehension.

Each day, spend time practicing all of the sight words you learned in Kindergarten. Check off the words that you know and spend extra time practicing the words you do not know. **For every 15 days complete, students will receive a Dress Down Day.**

Parents - please sign each day to show that your students practiced sight words or read a book. You can also keep track of any books read this summer on the back of this page. Extra copies of this can be found on the St. Ann School Website. Please return this to your 1<sup>st</sup> grade teacher in August.

Happy Reading!
