

# 5<sup>TH</sup> GRADE

## newsletter

Week of: January: 9-13

### Our Learning Snapshot:

**Math:** In math we worked on our 2-5-8 and unit 6 assessment, this included multiplying and dividing three digit numbers.

**ELA /R:** In ELA we wrote a thesis statement and 2 paragraphs. In reading we studied text structure.

**Science:** In science we learned what an environmental engineer does.

**Social Studies:** We are learning about the 13 colonies.

### Upcoming Events

-MLK DAY this Monday  
NO SCHOOL

-Angel Salinas birthday is  
on January 18th

-iReady diagnostic for  
Reading and Math will be  
from Jan 18th - 20th

### Reminders

-Students should bring coats and gloves for recess. Make sure to check your students reading log to make sure they're reading 45 minutes a day. Ask your students about their New Years resolution!

### Teacher's Corner

Thank you so much to Steven Alvarez for creating our newsletter this week! I also want to shout out that today Lillybeth and Ronen read petitions and did an amazing job! Please make sure your students continue to read on Monday as their AR goal for next Friday will be 60%. I hope everyone is able to enjoy the long weekend!
